Maverick Comfort AT.

Your strong partner.

The **Maverick Comfort AT** was designed for active users who navigate varied indoor and outdoor environments and place a high value on effortless walking and the ability to go wherever life takes them.

Designed for optimal outcomes

- The fiberglass design delivers a high degree of durability and flexibility without limiting energy return
- Low build height
- Split forefoot and rearfoot springs for enhanced adaptation to terrain
- A full length, unbolted sole plate ensures a smooth stance phase rollover
- Waterproof, protected against fresh, salt and chlorinated water

More than a foot. A foundation.

Technical data

Mobility grade / K-level	3
