INTRODUCING THE LATEST ADDITION TO OUR BALANCE FOOTWEAR CATEGORY... THE APEX® BALANCE SHOE - HIKER

At Apex®, we have seen an overwhelming response since we introduced our Balance Footwear Category in 2017!

By popular demand, our design team went back to the drafting board to come up with a more active version of our original balance shoe. We created a Hiker style the features a durable lugged rubber outsole for added traction perfect for hitting the trails and exploring nature.
