Widths: M, W, XW
Depth: 1/4"

THE MOST ATTRACTIVE & FUNCTIONAL MEN'S NAUTICAL BOAT SHOE EVER DESIGNED!

Improving upon the traditional boat shoe to incorporate added biomechanical features to maximize comfort, Apex® Nautical Boat Shoes are not only the most comfortable, but also timeless, and constructed to withstand the most intrepid adventures on deck and on shore. Like all Apex® footwear styles, this latest addition to the men's Lexington line is manufactured with the most innovative materials and technologies to provide superior comfort, support and exceptional fit.

Crafted from full-grain nubuck leather, every upper is genuine hand-sewn making this dress-casual even more dashing and durable, and primed for year-round wear.
