

Bracemate® Body Sleeves™

***The Most Innovative
and Highest Quality
Body Sleeve Available!***

Bracemate Body Sleeves® from Comfort Products use CoolMax® to produce a high density product that moves moisture away from the body faster than other interfaces.

Features include:

- CoolMax® wicks moisture away from the skin to keep the wearer dry and comfortable
- Breathable fabric allows wearer to feel cooler in summer and warmer in winter!
- Full range of sizes from pediatric to full figured adults!
- Reinforced neck and arm openings
- Superior cushioning for outstanding comfort
- Flat knit for a super soft feel
- Extended wear life
- May be machine washed and dried

Available styles include:

- Standard with shoulder straps
- Axilla flaps on one or both sides
- Tube style
- Shoulder caps on one or both sides
