

LIMITED WARRANTY / FEET

College Park Industries, Inc., a Michigan corporation at 27955 College Park Drive, Warren, MI 48088 ("Company") hereby provides its Limited Warranty for each of the various types of prosthetic feet which it sells, *i.e. Accent[®], Breeze[®], Celsus[®], Horizon[®] HD, Odyssey[®]_{K2}, Odyssey[®]_{K3}, Onyx[®], Scout[®], Sidekicks[®], Soleus[®], Tempo[®], Tribute[®], Truper[®], Trustep[®], Venture[®], Velocity[®], and Voyager[™]* (each unit being a "Foot"). The Company, as set forth below, hereby provides its limited warranty, to the Foot's original user, that the Foot is free from defects in materials and workmanship. The length of the Limited Warranty Period varies depending on the type of Foot and patient's weight as summarized in the Product Chart (right).

LIMITED WARRANTY. This limited warranty covers all components of the Foot, including bones, bumpers, bushings, bolts and screws, but does NOT include the Socks, Sealing Boots, Exo Blocks or other accessories which will be replaced at the sole discretion of the Company. Foot Shells will be covered against manufacturer defects for a period of six (6) months. For refurbished products, the limited warranty period is ninety (90) days. For replacement parts, the limited warranty period will be the remainder of the original warranty period, or ninety (90) days, whichever is greater. This Limited Warranty is not transferable.

CONDITIONS. The exercise of this Limited Warranty is further conditioned, in part, upon the patient adequately and timely (1) reporting the claim of a defect and (2) returning the Foot to a prosthetist recognized by the Company ("Recognized Prosthetist"). The Recognized Prosthetist shall undertake, with the patient, to process that claim with the Company. Upon discovery of a possible defect, the patient shall immediately notify the Recognized Prosthetist, and, within 60 days from discovery, shall notify the Company in writing, therein describing all current claims that the patient may have with respect to the Foot and/or any of its components and accessories. Failure to properly give such notices shall automatically constitute full waiver of all claims and warranties by the patient and any person taking action on the patient's behalf. If a Foot needs repair or replacement, due to a defect in workmanship or materials, a Return Authorization Number (RA#) is required, which is obtained by calling College Park's Customer Service Department at 1-800-728-7950. The original order date, patient name and weight must be included with the Foot.
