

## Crossover Knee Brace

Sizes: xs, s, m, l, xl, xxl

Our Crossover brace features three designs to accommodate a wide variety of patients. Our classic pull-on design offers the most uniform fit. The front closure wraparound design allows for ease of application without removing shoes and is ideal for patients with limited flexibility and reach. The hybrid Crossover FT features a pull-on calf and front closure thigh, allowing for an adjustable fit for patients with atypical legs.

### Common Examples of Use

- Mild and moderate ACL, PCL, MCL, and LCL sprains
- Meniscal instabilities
- Patellar instabilities
- Mild osteoarthritis

### Product Features

- Removable and adjustable patellar buttress can be positioned and trimmed for multiple applications
- Pull tabs ease application
- Mesh popliteal for patient comfort

Category: Adjustable ROM.
