Donning

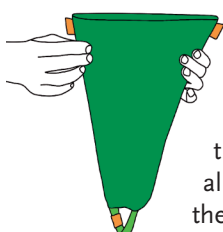

QR code Easy-Slide

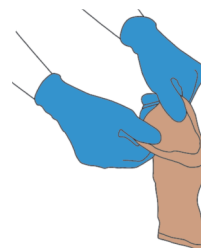

The original **donning aid** for open toe medical compression stockings and tights.

Easy-Slide provides an effective solution for patients who wear compression stockings and tights with open toes. Thanks to the Easy-Slide, hosiery can now be donned without difficulty. Furthermore, Easy-Slide is an essential aid for caregivers who are faced with the prospect of donning their patients' compression hosiery on a daily basis.

Self-care

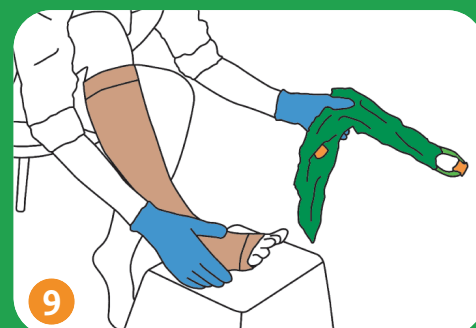

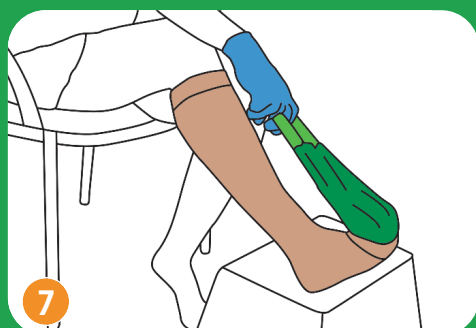

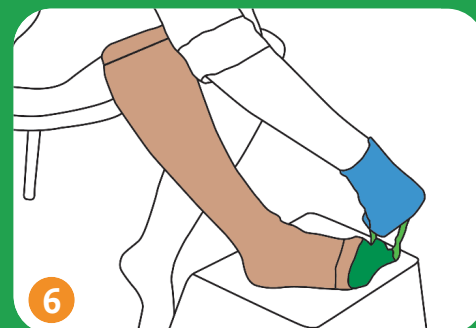

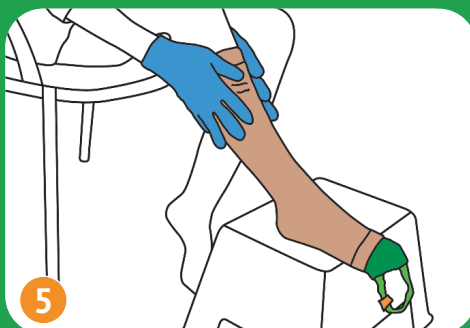

Make sure the product is ready for use by folding back the extra fabric and aligning the top with the product label

In case of a silicon border, make sure it's folded back before application

Donning instructions

... *We make your life easier!*

Easy to Use

- Minimizes friction between compression garment and skin
- Reduces daily stress during donning and doffing
- Increases independence of compression wearers

Safe to Apply

- Reduces risk of skin damage; can be especially beneficial in case of high skin sensitivity, leg ulcers
- Extends life-span of compression garments
- Helps to avoid garment overstretching or distortion

Simple Solution

- Offers application aids for all types of compression garments: stockings, sleeves, gloves
- Designed for different shapes and sizes of limbs
- Empowers concordance to compression therapy
