K40014	14"	22"
K40020	20"	24"
K40024	24"	25"

POST OP TELESOPING KNEE BRACE

Indications: Designed to provide controlled range of motion for patients recovering from knee surgery or those who have knee injuries or instabilities

- Comfortable and extremely light weight, simple to apply
- Telescoping bars are easily adjusted for a personalized fit
- Universal brace so there are less SKUs to stock in inventory
- Trimmable straps for size customization
- Drop lock feature allows braces to be locked out with the push of a button
- Easy to use ROM hinge with quick adjusting flexion and extension stops to control and limit knee flexion and extension
- Quick clip buckles allow for easy application and removal of brace
- Suggested HCPCS Code: L1832 or L1833
