

PRO SELECT LACE UP ANKLE BRACE

- Quick lace closure provides superior compression and allows for easy adjustments on the run
- Removable medial and lateral plastic stays
- Figure 8 non-stretch nylon straps mimic athletic tape to stabilize the ankle
- Elastic top cuff hides laces and provides additional support
- Suggested HCPCS Code: L1902

Part #	Size	Ankle Circumference
88410	X-Small	9" - 10"
88411	Small	10" - 11"
88412	Medium	11" - 12"
88413	Large	12" - 13"
88414	X-Large	13" - 14"

ARMOR 8 LACE UP ANKLE BRACE

- Provides stability and protection for the ankle
- Figure 8 non-stretch wrap works to stabilize the ankle and help control abnormal eversion and inversion
- Unique soft pliable *armor* limits inversion, eversion, flexion and extension movements
- Fits easily into an athletic or street shoe
- Suggested HCPCS Code: L1902
