

## RANGE OF MOTION (ROM) HINGED KNEE WRAP

Back View

- Combines the low profile nature of a hinged ligament knee brace with the functionality of a post-operative brace
- Provides mild to moderate medial and lateral support in addition to the support offered by the strapping
- Universal fit for a right or left leg to help reduce inventory
- Open back design to ensure no bunching or pinching of the popliteal crease of the knee
- Easy to adjust pin stops and patella buttress stabilizes and protects the kneecap
- Suggested HCPCS Code: L1833

Part #	Size	Knee Cap Size
