Re: Assigned Healthcare Common Procedural Coding System (HCPCS) Codes

Product: GENUMEDI

Model number: 611, 613, 614, 616

Xref #: 9795000

Dear Mr. Wilbourne:

It is our determination that the Medicare HCPCS code to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the product listed above is:

A4466 - GARMENT, BELT, SLEEVE OR OTHER COVERING, ELASTIC OR
SIMILAR STRETCHABLE MATERIAL, ANY TYPE, EACH

The requested code, L1800, was discontinued and cross walked to a new code, A4466, effective January 1, 2010.

This decision applies to the application that we received on October 23, 2009. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification review. This coding decision will be available within ten (10) working days on the Durable Medical Equipment Coding System (DMECS), which is located on the PDAC web site, www.dmepdac.com. Please take the time to verify that this coding decision is correctly reflected in DMECS.

The assignment of a HCPCS code to this product is not an approval or endorsement of the product by Medicare or Noridian Administrative Services, LLC; nor does it imply or guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.
