

ICEROSS STABILO® JUNIOR LOCKING LINER WITH WAVE

Iceross Stabilo Junior Locking Liner with Wave is especially designed for children providing them great comfort and stability.

The liner provides stability and comfort for children engaging in high impact daily activities. Active Skin Care ingredients provide soothing effects, and greater comfort and stability for a day filled with games and activities. Ideal for children that require soft tissue stabilization.

Children can decorate their liners and personalize them. There are 4 different colored permanent markers included with the liner.

Össur recommends that Iceross Stabilo Junior Locking Liner with Wave is used in conjunction with the Icelock® 700 Series.
