

Discover the Dermatonics *difference*

Founded by Skincare Experts

Since 2008, Dermatonics has been driven by a passion for skincare innovation. Our experts are committed to crafting top-quality **dermatological products that harness the power of nature.**

Nature-Inspired Ingredients

We believe in the potency of natural ingredients. Our products are meticulously formulated with a range of carefully chosen nature-led ingredients from around the world, including **New Zealand Manuka Honey, Finnish colloidal oatmeal, peppermint, arnica, shea butter,** and more.

Trusted by Professionals

Made in the UK and backed by rigorous testing and research, Dermatonics products are **safe, effective and trusted by healthcare professionals** worldwide.

Science Behind the Skincare

We combine synergistic ingredients such as **oat lipid oil, Manuka Honey and urea** to deliver rapid hydration and skin restoration and healing.

Fast-Acting Formulas

Our products are proven to provide visible results in as little as one day. Whether it's dermatitis, eczema, psoriasis, or other dry skin conditions, our products have been medically proven to provide noticeable results **within 24 hours.**

Gentle and Inclusive Skincare

Our skincare range is suitable for various lifestyles and skin conditions. Whether you're a **vegetarian, vegan, or managing diabetes**, our products are crafted with your needs in mind.

Our Sustainability & Social Commitment

Our conscious business practices reflect our dedication to people and the planet.

- Eco-friendly cardboard packaging
- Recycled PCR tubes introduced in 2022
- Green energy tariffs
- Fully electric company cars
- Regular charitable donations

Heel Balm with Manuka Honey

VEGETARIAN

25% Urea

Heel Balm with New Zealand Manuka Honey hydrates and draws moisture to the skin, making it ideal for people with very dry feet. It absorbs quickly, with a pleasant scent and provides visible results in one day.

Available in 70mL & 125mL

Hard Skin Removing Balm

VEGETARIAN | VEGAN

10% Urea

With a blend of sweet blossom aromas, Hard Skin Removing Balm delivers a wonderful scent—with moisturizing shea butter and hydrating Swedish oat lipids also working to give visible results in 24 hours.

Available in 70mL & 125mL

Sensory Foot Scrub & Soak

VEGETARIAN | VEGAN

Featuring coconut shell, the Sensory Foot Scrub and Soak gently buffs away hard foot skin—complete with lime essential oils to produce an energizing aromatherapy experience!

Available in 125mL & 350G

Soothing Foot Cream

VEGETARIAN

10% Urea

Perfume-Free

Perfume-free and containing colloidal oatmeal to relieve dry and itchy feet, while being kind to sensitive skin

Available 70mL & 125mL

Dry Skin Cream

VEGETARIAN | VEGAN

10% Urea

Provides intense moisturizing for feet, legs and body—containing 10% urea, as well as olive and papaya juice to quench and nourish dry skin.

200mL

Ultra-Cool Foot Gel

VEGETARIAN

Perfume-Free

Perfect relief for hot, tired feet and legs! The Ultra-Cool Foot Gel uses chestnut, arnica and peppermint to give a refreshing blast to cool and reduce odor simultaneously.

70mL

Deodorising Fizzy Foot Foam

VEGETARIAN

Instantly cools, deodorizes and refreshes hot and tired feet. Producing a unique fizzing sensation to revive the skin, as well as featuring menthol and New Zealand Manuka Honey

150mL

Hand Balm

VEGETARIAN | VEGAN

10% Urea

Featuring Shea Butter, presents an effective and luxurious treatment for dry hands—containing 10% urea to nourish the skin

70mL

Nail Recovery Gel

VEGETARIAN

20% Urea

A urea-based nail treatment, formulated to quickly improve the appearance of dry and discolored nails. Featuring an easy-to-use brush applicator, as well as tea tree oil for a fresh, pleasant scent.
