SKC303	Replacement Foot Shell, Dark	22-30 cm	N/A

### Bumper Selection Instructions

To optimize selection, follow the three steps below to determine the appropriate category.

1. Locate the column associated with the amputee's foot length.
2. Locate the row corresponding to the amputee's weight.
3. The area where the column and row intersect lists the appropriate category .

**Important Note:** If the amputee has a long BK or carries heavy loads choose the next category higher.

**Warning:** Choosing a lower category than what is suggested based on the above procedure and patient data will void the warranty. If your patient's weight exceeds the limits of the chart, please browse the catalog for other foot options or call Trulife Customer Service.

Foot Length	22	23	24	25	26	27	28	29	30
Weight									
137-160 kg 301-350 lb	4	4	5	5	5	5	5	5	5
101-136 kg 221-300 lb	3	3	4	4	4	4	4	4	4
