

Microprocessor Feet Clinical Studies

Agrawal V, Gailey RS, Gaunaud IA, O'Toole C, Finnieston AA. Agrawal V, Gailey RS, Gaunaud IA, O'Toole C, Finnieston AA. Comparison between microprocessor-controlled ankle/foot and conventional prosthetic feet during stair negotiation in people with unilateral transtibial amputation. J Rehabil Res Dev. 2013; 50 (7): 941–950.
