

Spine

Hyperextension Support

Dorso Arexa

28R140N | Hyperextension Support

Anterior design uses a three point pressure system to maintain spinal posture while preventing unwanted spinal flexion of the thoracic and lumbar spine.

Features

- Universal size fits up to 59” waist
- Adjust for height using clickable extension elements
- Ratchet closures ease donning and doffing
- Soft pads for increased patient comfort
- Water-resistant

Indications

- Indicated for prevention of unwanted spinal flexion of the thoracic and lumbar spine, compression fractures, and osteoporosis

PDAC verified L0472

Part no. 28R140N		Measure waist circumference.
Size	Waist Circumference	Part Number
Universal	up to 59" (150cm)	28R140N
