

PROTECTOR

Moistureproof Covering for PICC Lines or Post Surgery Protection

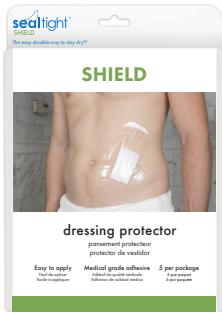

- Safely allows patients to resume normal bathing, showering and approved recreation routines with PICC lines or following surgery
- Keeps hands or feet free for use when bathing
- Eliminates annoying tape, straps and pumps needed with other products
- Perfect protection for patients whose doctors allow swimming, water sports, whirlpools, hot tubs, showering and bathing

ORIGINAL

Easy, Professional Protection Simplifies Showering and Bathing

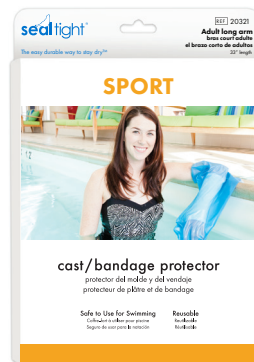

- Easy to apply application ring eliminates need for strapping, pumps or hook & loop closure
- Provides a customized fit that's squeeze-tight (yet comfortable) to keep out water
- Improves hygiene! Keeps skin clean and dry
- Avoids costly re-casting and keeps casts dry to prevent unnecessary doctor visits
- Reusable and guaranteed to last the life of the cast
- Quality, durable materials last longer, help promote healing and recovery unlike cheap, homemade plastic alternatives
