

ELEGANCE

Extra Length Silicone & PVC
Cosmetic Gloves

**AVAILABLE
IN SEVEN
STYLES**

ELEGANCE Gloves

- Extra length as standard in 7 styles
- Recommended for RSL Steeper *Select*, Otto Bock™, Motion Control™ and Hosmer™ adult and youths, myoelectric and mechanical hand ranges
- A choice between the Standard colour range or the advanced micro-pigmentation Truefinish™ (available for added realism and depth)
- Both ranges available in 19 colour shades

Available in 19 colour shades, 5 sizes & 7 styles

ELEGANCE Silicone

By using Tufsil 3™ our innovative polymer, ELEGANCE Silicone gloves offer the toughness associated with PVC but provide the ease of cleaning provided by silicones.

In addition, Tufsil 3™ allows additional stretch, reducing the energy expended by the hand motor each time it opens. Properties of this polymer include improved tear resistance proven by clinical evaluations and up to 15% stretch, to allow even bulbous sockets to be accommodated.

All ELEGANCE Silicone gloves are easy to fit and remove, allowing quick access to the hardware for maintenance and adjustment. The Silicone gloves are simple to keep clean using soap and water.

ELEGANCE PVC

ELEGANCE PVC gloves provide a cost-effective solution for electric and mechanical hands when the extra toughness of PVC is required.

ELEGANCE Silicone and ELEGANCE PVC is available in the following styles:

Size	Approx Length	Application	Left Silicone	Right Silicone	Left PVC	Right PVC	Colour Ranges
