Women's Sizes: 5-15

ABOUT THE BASIS™:

Patient Compliance Made Easy!

Headlining an entirely new category of footwear, the stretchable Basis™ Slip-On will significantly extend AFO and orthotic wear-time leading to optimal outcomes more quickly. This innovative addition to the Apex product line has the added benefit of being the perfect footwear for relaxing around the house, gardening, travel and more. Combining shoe, sock and slipper in one, this sleek, fashionable 'footwear alternative' will quickly become a patient favorite. Compliance, comfort, protection, style.

DIRECTIONS WHEN WEARING WITH AFO OR ORTHOTIC

- Remove original EVA footbed when using with an AFO or foot orthotic

BENEFITS & FEATURES:

- Washable (Do Not Put In Dryer)
- Unisex sizing
- Simple design and over-sized pull tabs allow for easy donning
- Slip-resistant sole
- No additional widths
- ½" Removable heel lift
- Removable foot bed
- Full toe box
- Heel counter
- Highly breathable
- Rear foot insole board for rear foot stability

PRODUCT DESCRIPTION:

The Lycra® polyester and nylon blend create a four-way stretchable footwear product allowing for a supportive fit which can be worn with most AFOs and foot orthotics. The Apex stretchable Basis™ Slip-On is designed for indoor and light outdoor use only, also featuring slip-resistant traction on the outsole.

AVAILABLE IN AUGUST 2018
