INTRODUCING LOGAN

In 2018 Apex added Hudson, the classic lace chukka boot, which has become a favorite in the men's Lexington Collection. Now, Apex welcomes Logan, a side-zip chelsea boot as the latest member to the Lexington product line.

Apex Foot Health has been in business of offering premium footwear products for decades. All of our products are designed and manufactured – from start to finish – in consultation with foot health experts, pedorthists and doctors. We want only the best for your patients and we are as committed to their health as you are.

FEATURES

- 1/4" removable depth for perfect fit and to accommodate orthotic inserts
- Breathable, soft moisture-wicking polyester, antimicrobial mesh lining
- Polyurethane lug outsole for cushioning, traction, and stability
- Advanced EVA performance insole for maximum comfort
- Medial zipper allows for easier foot insertion and removal
- Luxurious oil-tanned leather upper

ABOUT THE LEXINGTON COLLECTION:

The Lexington collection is recommended for everyone, but is specifically helpful for patients with diabetes who need optimal protection, comfort and fit. The Lexington line is also ideal for patients with bunions, arthritis or who need excellent shock absorption, breathability and/or just the right accommodation for custom or prefabricated inserts.
