# MASK

## PROTECTIVE

We touch our faces all the time. So often, that the odds of recontamination of our hands between washings is extremely high. Wearing a face mask can help prevent you from touching your face and mouth, potentially decreasing your risk of contracting illnesses.

## DURABLE + BREATHABLE

Durable, lightweight yarns provide a protective physical barrier and keep the wearer cool and comfortable.

## SOFT + COMFORTABLE

Exceptionally soft yarns, including head strap, for optimal wearing comfort.

## WASHABLE + REUSABLE

Easy to care for. Machine wash cold. Tumble dry low. Do not bleach.

## TWO SIZES FITS MOST

Designed with super stretchy yarns in Adult and Child sizes to provide comfortable fit.
