

PF-MARG

Danger

Contains flammable liquid and vapor. May be fatal if swallowed or exposed to airways. Causes serious skin, eye, and respiratory irritation. Suspected of damage to fertility or an unborn child. May cause damage to organs with prolonged or repeated exposure. Toxic and harmful to aquatic life. May cause cancer.

Obtain special instructions before use. Do not handle until all safety precautions have been read and acknowledged. Keep away from extremely high or low temperatures, ignition sources, or incompatible materials. Always ground/bond container and/or receiving equipment. Use explosion-proof electrical ventilating and lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Do not breathe vapors, mist, or spray. Wash hands, forearms, and other exposed areas thoroughly after handling. Do not eat, drink, or smoke when using this product. Use only outdoors or in a well-ventilated area, avoiding environmental exposure. Wear protective gloves, clothing, and eye protection. Keep container tightly closed, cool, and stored in a well-ventilated area. Dispose of contents and empty container in accordance with local, regional, national, and international regulations.

WARNING: This product exposes you to chemicals, including Styrene, which is known by the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

If swallowed: Immediately call a poison center/doctor. **Do NOT induce vomiting.**

If on skin (or hair): Immediately remove all contaminated clothing and wash before reuse. Rinse skin thoroughly with water.

If inhaled: Remove person from exposure and allow to rest in a comfortable breathing position.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses (if present and easy to do). Continue rinsing.

In case of fire: Use dry chemical powder, alcohol-resistant foam, or carbon dioxide (CO₂) to extinguish.

If you are exposed and experience skin or eye irritation, feel unwell, or are concerned, contact a poison center, doctor, or seek medical advice/attention immediately.

See Safety Data Sheet for further details regarding safe use of this product.
