

Levitate Blade Kit

TECHNICAL PRODUCT SHEET

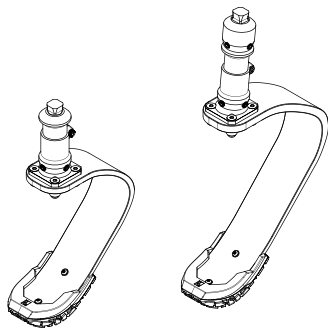

Levitate Blade Kit

The Levitate Blade Kit includes all necessary tools and adapters for mounting, designed to enhance performance and adaptability for users, ensuring optimal running efficiency and comfort.

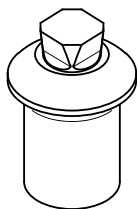

Levitate Blade Kit includes:

- Levitate Blade
- Interchangeable Essential sole in orange
- Mounting hardware
- Height adjustable adapters
- QR code for the installation video guide

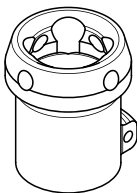

• Height Adjustable Adapters

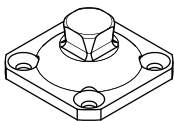

Designed to fit various socket types and ensure a customizable, secure setup.

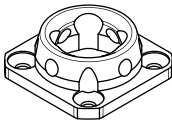

1. Tube Male
60-90 mm

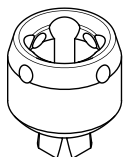

2. Tube Clamp
Female 60-90 mm

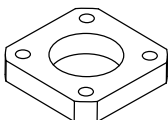

3. Flat Male Pyramid
9 mm

4. Flat Female
Pyramid 19 mm

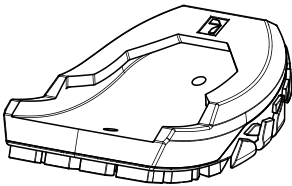

5. Female Male
Adapter 34 mm

6. Spacer
10mm x 2 pcs

• For all sports and surroundings

Every running blade comes with an orange Essential sole already attached to the blade. The **Essential sole** is designed for indoor and urban usage where extra grip holds no value

• Mounting Hardware

The kit provides all the screws and tools needed to securely mount the Levitate Running Blade to the existing socket.
