

Warranty Information:

Engineered Silicone Products, LLC offers the warranties for the following items. Depending on the product, the warranty timeline is different. All warranties cover defects however "wear and tear" caused by the user is not.

All Aegis Liners (Ultimate, Seal-Pro TT, Seal-Pro TF, TF, SoFlex, and Streamline) have a (6) month warranty. There is also a (10) day trial period for patients to try the liners out to see if they work for their needs.

The FlexiSport, FlexiSleeve, and FlexiKids knee sleeves all have a (3) month warranty.

The Seal-Tite gel sleeves have a (30) day warranty.

All ESP valves will be replaced for any and all defects. The item(s) must be sent back to the facility for inspection and will either be repaired or replaced. If signs of tampering or alteration have been discovered, no replacement will be issued.
