

PRO SELECT FULL SHELL WALKER

Indications: Soft tissue injuries, grade 2 and 3 sprains, stable fractures, post-operative, trauma, or rehab use

- Patent pending technology allows air to circulate to prevent the accumulation of heat during patient wear
- Small perforations work to prevent humidity and help heat escape instead of accumulate under the foot
- Integrated single pump design for easy inflation/deflation
- Multi level adjustable front panel connector encourages a customized fit for patients of varying anatomies
- Suggested HCPCS Code: L4360 or L4361
