

Tuli's Heel Cups

Tuli's Original Heel Cups come in Classic, Semi-Rigid and Heavy Duty styles. Gel Heel Cups with lighter, softer, more resilient polymer come in Classic, Heavy Duty and Polar Bears™ styles.

SoftZone™ Heel Products

Silipos® SoftZone line of products includes the Heel Spur with removable Plug and the Low Profile Heel Cushion. Both are made of shock absorbing silicone. Washable. Hypoallergenic.

WonderZorb™ Orthotics

Soft silicone off-the-shelf line of orthotics made with medical grade silicone help reduce shock loads by providing even pressure distribution throughout the orthotic. From Silipos®.

Sorbothane® Heel Pads

Designed to redistribute weight away from the center of the heel, these pads make an effective treatment for heel spurs, bruises, callosities and many other heel problems.
