

ValguLoc®	
12013101080*01	Size 1
12013101080*02	Size 2
12013101080*03	Size 3

A postural splint for the correction of hallux valgus. Anatomically contoured and easy to use. Infinitely adjustable. From Bauerfeind. Replace * with 6 for right foot or 7 for left foot.

Bunion Night Splint	
3001S(L/R)	Small
3001M(L/R)	Medium
3001L(L/R)	Large

The Bunion Night Splint helps keep the big toe aligned and eases pain caused by bunions. Soft bumper pad cushions the big toe. Specify left or right. From Aetrex.

Gel Metatarsal Cushion	
3010L	Left
3010R	Right

The Gel Metatarsal Cushion provides the comfort of gel at the ball of the foot. Padding provides unmatched cushioning and shock absorption while eliminating irritating calluses.

Gel Toe Crest	
3013S(L/R)	Small
3013M(L/R)	Medium
3013L(L/R)	Large

The Gel Toe Crest is designed to relieve pain associated with hammer, claw or mallet toes. Fits comfortably between the ball of foot and toes. Specify left or right. From Aetrex.

TOE ORTHOTICS — Continued

All Gel Digital Cap	
10495	S/M
10505	L/XL

Eases pressure and friction caused by corns, blisters, calluses, hammer toes and in-grown nails. Virtually transparent, these caps are ideal for open toed shoes or sandals. 2/Pkg. From Silipos®.

Gel Toe Crest	
10415	Small Left
10425	Small Right
10435	Large Left
10445	Large Right

Helps relieve forefoot and toe pain caused by hammer, claw and mallet toes. Reinforced toe loop for increased durability. Will not bottom out like foam. 3/Pkg. From Silipos®.

Gel Metatarsal Pad	
10465	Pair

Helps reduce the burning sensation under the metatarsal heads. Anatomically designed for comfort and support. Reinforced toe loop for increased durability. One size. From Silipos®.

Gel Bunion™	
10085	S/M
10095	L/XL

Softly cushions the bunion with a concave gel pad and soft foam shell for additional pressure absorption. Toe loop may be trimmed for a more comfortable fit. 5/Pkg. From Silipos®.

Gel Digital Pad	
10055	Mini
10065	S/M
10075	L/XL
12/pkg	

When worn over corns, calluses or hammer toes, these gel digital pads protect toes from friction and footwear pressure. Medical grade mineral oil helps moisturize skin. From Silipos®.

DigiStrip™	
1100	Narrow
1101	Medium
1102	Wide
2 Strips/pkg	

The inside of the DigiStrip™ tube is coated with polymer gel to reduce friction. Contains mineral oil to help relieve irritated skin. 24" length may be cut to exact size needed. From Silipos®.

Gel Met Pad w/Spreader	
4020	S/M
4021	L/XL
Pair	\$9.90

Anatomically designed for comfort and protection of metatarsal heads. Built-in toe spreader reduces discomfort from Hallux Valgus. Fits into dress or casual shoes. From Silipos®.

Gel Toe Spreaders	
11505	Small
11515	Medium
11525	Large
4/bag	

Soft, conforming polymer makes these spreaders extremely comfortable. Use as an inter-digital wedge for bunion deformity, overlapping toes or toe drift. From Silipos®.

Gel Toe Cap	
3019S/M	S/M
3019L/XL	L/XL

The Gel Toe Cap provides relief from common toe problems including in-grown toenails, hammer toes and claw toes. The gel moistens and softens skin. Dermatologist tested.
