TayCo Brace, Inc.

205 W. Western Ave | Suite 101
South Bend, IN 46617
info@taycobrace.com

The TayCo Brace is not just new technology, it's also changing the way recovery looks and feels!

TREATMENT AS UNIQUE AS YOUR FOOT

The Custom TayCo XAB fits a patient's unique anatomy, built around the patient's own footwear and orthotic.

Easy to take on and off

Compatible with majority of shoes and workboots

Immobilized or free motion hinge option

A functional alternative to custom inner shoe AFOs

"With my custom TayCo's I can walk without any pain. The first time I put them on I said 'You got to be kidding me!' I live in my TayCo Braces and they let me have the active lifestyle I want"

- Donna L

Custom built ankle foot orthosis that fits outside the shoe

Fits over OSHA compliant footwear

Durable bottom strap will last the lifetime of the brace

Suggested Codes: L1970, L2820, L2755 x2*
