TO ACCESS VIDEO INSTRUCTIONS

1 POSITION BRACE IN SHOE

- ✓ Remove original insole
- ✓ Brace should fit in shoe with minimal shoe distortion

2 PLACE INSOLE BACK IN SHOE

- ✓ Place your original insole or custom orthotic over the brace's footplate

3 CHECK FIT

- ✓ With the shoes untied and loose, slide in your foot *(If necessary, use shoehorn)*
- ✓ Ensure there are not any shoe distortions and fasten shoelaces

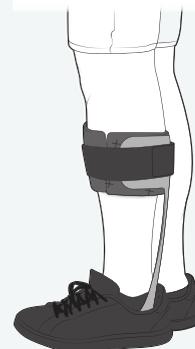

4 FASTEN STRAPS

- ✓ Fasten the strap so it is secure but not uncomfortably tight

5 SECURE

- ✓ Before using, check to ensure the fit is comfortable/secure and that there are no product or shoe impingements

6 TEST FOR FIT & COMFORT

- ✓ With the brace fully donned, take a few steps to ensure comfort and a secure fit. If you feel any discomfort, notify a healthcare professional immediately

USE & CARE INSTRUCTIONS

- Hand wash the softgoods in warm water using mild soap
- Air dry at room temperature
- Do not machine wash
- Do not use artificial heat to dry
- When not in use, store brace in a moderate temperature environment (50° - 80°F)

CAUTIONS

- Risk of accident while driving is determined on a case by case basis and you should always consult your practitioner and or physician prior to determining your individual abilities when using this brace.
- Appropriate footwear: This product should only be worn with a shoe that has a closed heel and toe or as directed by your healthcare provider.
- Restricted blood flow - nerve palsy and/or restricted blood flow can occur if the brace is secured too tightly.
- Immediately discontinue use and consult your medical provider if you experience any sensation changes or unusual reactions while using this product.
- This device is for single patient use only.
- This product was designed and manufactured to be used only in combination with the provided or licensed replacement straps, pads, and other softgoods.
- Should any serious incident occur in relation to this device, it should be reported to the manufacturer at the contact information listed on this document and the proper authority of the country or state where you are located.
- When treatment is complete, dispose of this device according to local laws and ordinances.
