

TORSO INTERFACE®

Developed by Knit-Rite, the Torso Interface® may be used with all types of spinal orthoses and body jackets. Seamless finishing provides improved skin protection, patient comfort, and aids in preventing skin breakdown.

Slightly heavier than a t-shirt, Torso Interface® provides more cushioning, moisture wicking and anti-microbial properties to keep skin dry, protected, and comfortable.

CARE TIPS

Hand or machine wash, mild detergent, warm temperature; no bleach. Tumble dry warm or dry flat.

ORIGINAL TURTLENECK WITH SLEEVES

IONIC+™	COOLMAX®	WIDTH/LENGTH	FIT CIRCUMFERENCE
1BX1-BT-XS	—	6" x 14" (15cm x 35cm)	10"-12" (25-30cm)
1BX1-BT-SM	—	6" x 14" (15cm x 35cm)	14"-18" (35-45cm)
1BX1-BT-MD	—	8" x 16" (20cm x 40cm)	18"-24" (45-60cm)

In addition to wearing with all types of spinal orthoses and body jackets, the turtleneck with short sleeves is used in hospitals for a casting procedure on infants and toddlers with scoliosis. It allows parents to be able to take off and put on a clean interface under the cast, with anti-odor Ionic+™ next to the skin.
