

XTERN CLASSIC+

THE XTERN CLASSIC+ IS GETTING AN UPGRADE

OVERHAULED DESIGN

The Xtern Summit's ingenious see-through design has been adapted to the Xtern Classic +.

NEW "DRILL-LESS" DESIGN

Put down the drill! The Xtern Classic+ can now be assembled without any power tools or additional holes, thanks to its new MONOCORE Technology®. It now boasts a one-piece body and new calf section.

UPGRADED CALF CUFF

The calf cuff is now height adjustable and equipped with pressure screws for easier assembly.

UPDATED ALL-IN-ONE INSTRUCTION MANUAL

Our new, redesigned assembly guide is now more user friendly with pictograms and minimal text.
