

NEW!

Aspen OA Knee+

CODE L1843/L1851 APPROVED

Left 651011

Right 651012

This premium brace is ideal for patients with mild-to-moderate Osteoarthritis. The low profile, universal design allows for less inventory and better patient compliance.

Aspen Knee Suspension Wrap

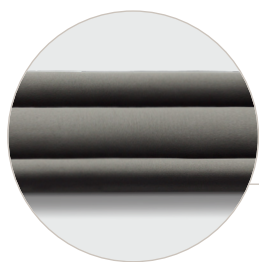

Can be used in conjunction with the Aspen OA Knee+ for patients needing additional support. The Aspen Knee Suspension Wrap helps the brace from migrating on patients and can help prevent skin irritation.

Aspen Knee Suspension Wrap

Code L2397 Approved

651111

Comfort

Comfortable, non-slip pads to help prevent migration.

Two Point Hinge Adjustment

Hinge adjustment for even pressure distribution and comfort.

Range Of Motion

Adjustable stops allow you to set the range of motion for appropriate treatment during continuum of care.

One-Step Closure

Proprietary one-step closure system for easy donning and doffing.
