

## SOFT LINE

### *Three-Quarter Insole*

- Covers two thirds of the sole
- Helps prevent fatigue due to its massaging effect improving blood circulation
- Helps reduce pressure on ligaments, muscles and joints
- Provides rapid relief from pain and fatigue
- Supports vital pressure points in the walking or standing position
- The two densities (the blue parts are softer than the rest of the insole) relieve pressure by adapting to the anatomy of the foot
- 100% silicone rubber is naturally hypoallergenic
- Easily washed in cold water without using soap
