

ProMotion® Plus

Orthotic Insoles

The DARCO ProMotion® Plus orthotic insole features a full length PORON® Cushioning layer which provides greater comfort and doesn't bottom out long term.

DARCO

ProMotion® Plus Features and Benefits:

- › Full length PORON® Cushioning foam layer provides superior shock absorption
- › US made high quality top layer fabric features anti-microbial odor control and low friction
- › Heel to toe cushioning foam that won't flatten or bottom out provides a superior feel and long term wear benefits
- › EVA covered polypropylene heel and arch support. Provides a firm support that cradles the heel and arch area. The EVA surface prevents the insole from shifting while walking and adds durability
- › Only available through health care providers
- › Assigned HCPCS code **L3040**
- › Economically priced

ProMotion® Plus Indications:

- › Over-pronation
- › Plantar fasciitis
- › Heel pain
- › Foot and arch pain
- › Ankle pain
- › Knee pain
