

E-Carbon Feet Range

Blatchford

E-Carbon Feet Range

Blatchford's E-Carbon range combines the convenience of an everyday foot with a high level of energy return that also makes them ideal for recreational sports.

Each foot is based on a lightweight, responsive and durable design, featuring a split toe-spring that adapts and conforms to terrain, enhancing balance and confidence with every step. The footshell now has a sandal-toe design for greater choice of footwear. New redesigned toe spring features Kevlar™ reinforcement for durability, and allows for sandal toe.

Options include:

- A VT element that offers additional rotation and vertical shock absorption to reduce shear forces and loading rates at the socket interface. The user is able to move and adapt more freely, making it ideal for pivoting sports such as tennis and golf, or for hiking.
- A multi-axial ankle that offers shock absorption and eases residual limb pressure for a smooth, comfortable walking experience.
- Blade style feet offer a gaiter to reduce debris ingress.

Now Available with Sandal Toe

Footshell Width Guide:

Use the below table to help choose the correct size when ordering, for sizes 25, 26, 27 you can now choose between Narrow (N) and Wide (W) fittings.

Size	22	23	24	25	26	27	28	29	30
Footshell Width	76mm	78mm	80mm	82mm (N) 88mm (W)	83mm (N) 91mm (W)	91mm (N) 99mm (W)	100mm	102mm	105mm
Old Esprit Footshell	77mm	77mm	80mm	82mm	82mm	87mm	90mm	95mm	101mm
Old Elite Footshell	N/A	N/A	82mm	83mm	86mm	88mm	92mm	96mm	98mm

Elite Blade

The waterproof Elite Blade is a lightweight, high performance flexible blade. It is designed to deflect shock from the residual limb, making it ideal for high impact use.

[†]Component weight shown is for a size 26cm without foot shell.

Build Height

Javelin wearer, Bill, had always longed for a foot that offers great stability to help reduce the number of falls he had on the ice. When Bill was first introduced to Javelin he found it provided him with exceptional stability on the ice.

“It’s amazing, I’m able to pivot on my back foot a lot better than before.”

Bill, Javelin Wearer

Elite 2 is lightweight, responsive foot with independent E-Carbon foot springs. Designed for high impact, this foot is ideal for a variety of recreational sports.

Order Example
